

Two New Registered Professional Engineers

FRESNO, CALIFORNIA – AUGUST 15, 2011

BSK Associates (BSK) is pleased to announce two of our newest Registered Professional Engineers in Fresno, California.

Mr. Andrew Burgin was awarded his Civil Engineer license from the State of California, Board for Professional Engineers, Land Surveyors and Geologists. In 2007, he achieved his BS in Civil Engineering from California State University Fresno. Mr. Burgin is a Project Engineer at BSK's Fresno office and has been with the firm since 2007. He is responsible for environmental site assessments, remediation projects, and environmental compliance documents.

Andrew Burgin, PE

Ms. Sarah Worcester has also earned her Civil Engineer license from the State of California, Board for Professional Engineers, Land Surveyors and Geologists. In 2004, she achieved her BS in Civil Engineering from California State University Fresno. Ms. Worcester is a Staff Engineer at BSK's Fresno office and has been with the firm since 2005. She is also responsible for environmental site assessments and remediation projects.

Sarah Worcester, PE

Amer Hussain, Vice President of Engineering stated, "We are very proud of Andrew and Sarah for this achievement. We appreciate their dedication to the community and as professional engineers."

BSK is celebrating 45-years of service in 2011. We are committed to protecting the environment and our natural resources, and implementing sustainable practices and design for our firm and our clients. BSK is employee-owned with offices and laboratories in Bakersfield, Fresno, Pleasanton, Sacramento and Visalia. For more information, please visit www.bskassociates.com.
