

Bennitt Promoted to Organics Department Manager

FRESNO, CALIFORNIA – DECEMBER 22, 2010

BSK Associates (BSK) is pleased to announce that Daniel Bennitt has been promoted to Organics Department Manager for the Analytical Laboratory Division. Mr. Bennitt has been with BSK for 15 years; during that time, he has served as a laboratory technician and senior chemist, and received his Bachelor of Arts in Chemistry from California State University, Fresno.

Dan Bennitt

Jeffrey Koelewyn, Analytical Laboratory Manager said, "Dan is well-prepared to manage the Organics Department. His technical knowledge, excellent work ethic, ability to lead, and strong commitment to customer service give me confidence for his success."

About BSK:

For 45 years, BSK has been involved with the earth sciences and testing for clients and projects in natural and built environments. BSK is employee-owned with offices and laboratories throughout California. BSK offers analytical testing, construction observation, ecological services, engineering geology, environmental engineering, geotechnical engineering, materials testing, and water resources management.
