BSK Associates Restructures Management Team

FRESNO, CALIFORNIA – APRIL 15, 2009

Amer Hussain, P.E., as Vice President of Engineering will now oversee all engineering branch operations including Pleasanton, Sacramento, Fresno, Visalia, and Bakersfield. Mr. Hussain has been with BSK for 12 years and holds a Masters Degree in Civil Engineering from California State University, Fresno.

Cathy Johnson has been promoted to Manager of Corporate Marketing and Business Development for both engineering and laboratory services. She has been with BSK for two years, and has more than 25 years of experience working with civil, geotechnical, and environmental engineers and analytical testing laboratories.

According to Richard Johnson, President, “these management changes support our strategic goals by providing professional excellence through strong client partnerships and assuring the future for our employee owners.”

Established in 1966, BSK Associates has more than 220 employees, and is a 100% employee owned firm. BSK Associates serves clients with new, renewable, and sustainable projects by providing civil and geotechnical engineering, environmental assessment and remediation engineering, analytical chemistry, food microbiology, hydrogeology, seismic hazards and engineering-geology, construction materials testing and inspection services.
