

## Shwiyhat named 2010 Outstanding Younger Civil Engineer

FRESNO, CALIFORNIA – JULY 27, 2010

BSK Associates (BSK) announced that Nathan Shwiyhat, P.E. received an award from the Fresno Branch of the American Society of Civil Engineers as the “2010 Outstanding Younger Civil Engineer.” Shwiyhat received the award for his dedication and service to the profession.

Nathan Shwiyhat, P.E.

Shwiyhat joined BSK in 2005. In 2007, he earned his Bachelor of Science from California State University, Fresno, and in 2010, passed the California Board for Professional Engineers and Land Surveyors exam for civil engineering. He is currently working on his Masters Degree in civil engineering.

Shwiyhat credits the comprehensive engineering program at CSU Fresno, and his work experience at BSK for helping him to succeed. “I am honored to be recognized by my peers, and look forward to the challenges as a professional engineer,” said Shwiyhat.

Walt Plachta, P.G., BSK – Fresno Branch Manager said, “Nathan is a very dedicated, hard working young man, and he even tried to keep the award a secret. BSK values his commitment to professional excellence and work ethic. We are very proud of him.”

### **About BSK:**

Since 1966, BSK has been involved with earth sciences, engineering design and testing for projects in both natural and built environments. BSK is an employee-owned firm, and has offices and laboratories throughout California. BSK offers analytical testing, construction observation, ecological services, engineering geology, environmental engineering, geotechnical engineering, materials testing, and water resources management.
